The Pandemic Code

AVATAR (The Annual Techfest) team of Rajkiya Engineering College Banda is organising a coding contest " **The Pandemic Code** " on 02nd MAY 2020 from 10:00 AM to 12:30 PM. This will be an online coding event. Anyone can participate in this event from any year and even from any branch. This event is going to refresh your competitive programming skills, while sitting at home fighting COVID-19. There is no registration fee. Registration link is mentioned below, click on it to get register for the event.

Registration Link: https://avtr.org.in/ThePandemicCode
Deadline: 1st MAY 2020 11:59 PM (IST)

Procedure:

- Click on the above link to get register.
- After registration you will get a mail to access the contest page and signing up there for the event.
- If you already have Hacker Rank account then simply you will be signing up for the event with a single click on the link.
- In case you don't have your Hacker Rank account then create it to get access for it.

Rules & Regulations to be followed:

- The contest is open to anyone with a knack for programming.
- It is an individual contest.
- You can use any programming language to solve problems.
- Candidate will be ranked as per the number of problems solved.
- Ties will be broken by the total time for each user in ascending order of time.
- If the two candidate finishes at the same then we will be checking for the time taken by a candidate to solve hard problems and the one who had taken less time will get priority.
- The contest will consist of multiple problem with different level i.e. Easy, Medium, Hard.
- Contest time will be of 2 and half hours i.e. 10:00 AM to 12:30 PM.
- It is advised to be present online before 15 minutes of starting of the event.

Awards:

- 1st, 2nd and 3rd ranker will be entitled with certificate of winner and runner-up.
- The candidate who solves at least 3 problems will get certificate of participation.

Note: Please do not open other tab in browser to search for help, as doing this can disqualify you from the event. Opening another tab in browser is trackable and our team will be tracking this to make sure not to get unfair.

Make sure don't do that strictly otherwise your score will not be estimated.
